- You have excellent analytical competencies and are interested in understanding the world of banking and finance
- You enjoy solving complex challenges in a team and are interested in innovation and transformation (including but not limited to data analytics)
- You are keen to learn
- You are fluent in German and English. French or Italian are a plus
- You are curious and courageous

Your team

Become part of a diverse, multinational and highly motivated team at our Zurich office. We will help you grow both personally and professionally: through our trainings, mentoring programmes and on-the-job learning, but also by connecting with your colleagues across all business lines.

In the audit and assurance team, we believe in a common purpose where we help to protect public interest and trust in business and we provide independent assurance for organizations to make the right decisions. You bring ambition, we provide opportunities.

We support our people to be their authentic selves and we recognize the collective strength of our diverse backgrounds. Additionally, we support each other and embrace change together as a team and lastly, we provide a unique and inspiring development journey to augment skills and capabilities you need now and in the future
